

December 1, 2017

Dear Parents,

We have begun practicing for the Christmas play in earnest. The program will be on December 20th at 6:00 p.m. The dress rehearsal will be that afternoon at @12:30.

We will be in the newspaper soon for stories we wrote about our own Christmas traditions.

Second Grade spelling words: find, child, sky, bright, wild, fly, right, flight, spider, cry, blind, myself *frighten, *arrival, and *identify.

First Grade spelling words: bring, trunk, pink, bank, sang, wing, rink, blank, rang, sunk, *every and *sure.

We will be having a science test next Wednesday. Here is the study guide.

What is a grassland? A large, open, grassy place

What is a habitat? A place where an animal lives

What are adaptations? Things that help plants and animals survive.

What is an ocean? A salty place where fish and plants live?

What does it mean to be extinct? You were a living thing that no longer lives on Earth

What is a forest? A place that has many trees growing together

Where are people on most food chains? At the top

Which animals adaptation is a bad smell? Skunk

Is a lake a land or water habitat? Water

Does a tree give a bird shelter? Yes

When might animals die? When the habitat changes.

Who carries pollen and helps plants? Bees
