

Kindergarten News 4/6/18

Library Day is Mon..Please return books for new ones.

Yy & #25 Week is next. Please send a letter table item.

Winter Gear: Thanks for continuing to send your child

with all that they need for outdoor recess! Old Man Winter is hanging onto us for awhile longer it seems!

Kdg. Homework - Make a Book for March is Reading

Month: Many have brought their book in already. It

isn't too late to have your child make a book and share it with their class. All of the books have turned

out great and the students are so proud to be an

author! I know when my children were little they

enjoyed making many books! This is a step in the reading process so thank you for helping your child

with this homework!

Progress Reports are in the Fri. folder. There has been

so much growth this year! The standards have increased as I prepare most of the students to head to

first grade next year. Therefore, if your child has gone

down in some areas, it is probably because I am

expecting more of them at this time of the year.

Thanks for all that you do to help your child learn! I

tell everybody how lucky I am to work with such

wonderful students and their great families! I am

certainly blessed!

Have a great weekend! Connie 255-5936
