

Fourth and Fifth Grade News:

Spelling- There is no formal spelling list this week. We are working on writing skills at that time each day.

5th Grade Social Studies:

The fifth graders have a Bill of Rights matching game to practice at home. They are to work on matching up the Amendments 1-10 with the rights. Please sign and return the envelope to school on Friday morning for credit in social studies.

M-Step Awards Dinner:

The dinner is planned for Wednesday, April 4. However, the predicted forecast may not allow for this plan. If school is cancelled, the event will be cancelled as well. Please look for posted information on the Posen Consolidated Facebook page. Thank you.

M-Step Testing:

The fifth grade students will begin testing on April 10. This will be a full week of tests, as they will be taking Language Arts, Math, Social Studies, and Science. Rest, a healthy breakfast, comfortable clothes, and a positive attitude are crucial for student success!

4th Grade Math:

We are currently working on ordering fractions. The students may access extra practice on IXL Math. Please consider encouraging this at home practice for reinforcement of fraction concepts. This can be found under 4th Grade, P.1-P.21. Let's set our students up for success. PRACTICE, PRACTICE, PRACTICE☺
