

May 25, 2018

Dear Parents,

No more homework, spelling tests, or Phonics for Reading.

We are still working on Science, Phonics workbooks, Runaway Ralph, and Social Studies.

On Tuesday, I will send home the study guide for science ch 11 and the homework we did not get do due to shortened weeks. The homework does not need to be turned in. The science test will be Thursday.

My last day is Thursday. Mrs. McLennan is planning on doing a lot of art projects with the children. It is a treat to have a real artist teaching art. The kids often came up with better ideas than I did.

Track and Field is going to be on Wednesday or Thursday, if there is a rain delay. Students need to bring sun lotion, water, and a hat or sunglasses. Parents are welcome. The VFW is graciously going to provide a nice snack for the kids. We are grateful.

We are sad to say that Mrs. Sobeck has decided to give up her secretarial job in the office. Mrs. Burnet and sometimes Mrs. Z will be filling in for the next weeks. We are saddened and will miss Carrie. Please be patient with us when contacting the school, as there may be some bumps in the road. .

Mrs. Kasuba's daughter is still in the hospital downstate. We wish her wellness and health.

Mrs. Beland is taking good care of her husband.

April Tosch
