

What's Happening in
2nd & 3rd Grade!

Friday, September 14,
2018

Posen Consolidated
Schools

Spelling

The first spelling list and homework was sent home last week. The homework is due on Friday. The pretest is on Friday and then the final test on the following Monday.

Language Arts

This week the 2nd grade read "Walter & Iris". They also worked on various topics from phonics to comprehension. The 3rd grade read "Boom Town". They worked on what makes a sentence a sentence.

2nd Grade Science

We continued with chapter 1 in science, which is over plants.

3rd Grade Social Studies

We continued with Ch. 1. We learned about what makes a state and our state symbols.

3rd Grade Math

We are on Topic 1 over numeration. We are learning the new skill of rounding.

3rd Grade Science

We are continuing chapter 1, which is over living things.

HOMEWORK: Every Monday a red, plastic homework folder will be coming home. Inside will be the spelling list, spelling homework, and a reading log. The spelling is due the Friday of that week. The reading log can be returned in the Friday Folder on Monday.

Friday Folders: Please review all the papers in the Friday Folder every week, sign, and have your child return the folder on Monday. Our Friday Folders aren't in yet, but will be here next week. So, their papers are in their backpacks.

We are off to a great start! The students and I are learning our new routines. Thank you for sending in all the wonderful supplies at the beginning of the year. If you have any questions or concerns throughout the year please feel free to contact me.

Have a Terrific Weekend!
