Important News...

Our Pampered Chef fundraiser was amazing! Thanks to all who were able to participate. Items will be direct shipped to your home, or to the home of the person ordering!

We had enough money for our charging cart for our ChromeBooks! I am working on writing more grants to get some more, I would like to have one for each student grades 3rd - 6th to use daily in their own classroom! If you have any suggestions for grants, I would gladly take them! ☺ Thanks!

Thanks and have a great weekend,

Mrs. Gagnon
