Fall Fest:

October 28

11:00-3:00

We are still collecting items for our Spa Basket for Fall Fest. Thank you for the wonderful products that have been donated so far. Our basket should be lovely! Feel free to send in items at your convenience.

**Scholastic News:** There Will be no Scholastic News homework this weekend. We will be doing it together in class next week. Our goal will be to use our rereading skills to successful search for answers within the text. The students will be trained to use their Guided Highlighted Reading technique for identifying answers before recording responses. This goal will lead to students' success when tackling expository text and response.

*Picture Day:*

*October 16th*
