

November 30, 2018

Spelling words: be, feet, he, see, we, green, me, she, tree, week, *family, and *something.

I will be gone next Wednesday afternoon. Mallery is in a play at her school. She is a ghost in the Christmas Carol story.

There is a half day of school next Friday. Bring lunch, snack, or popcorn money.

Please have your child bring boots, gloves, snowpants, and jackets to school every day. It is cold and we go out in Posen.

December 19th at 6:00 p.m. will be the Christmas concert. We will be singing songs this year. There will probably be a dress rehearsal in the afternoon that day.

The new math website is [zearn.org](https://www.zearn.org). (Not yearn!) Most first grade usernames are their first and last names without a space. All first grade passwords are `posen1`.

We will **not** be using abcmouse in class anymore. You may still use it at home. Some students are gaining points (which they can't spend) without doing the work. It is too many games and not enough learning.

Avon orders are **due Monday**. Make check out to Posen PTO. Please use black or blue ink when writing checks.

Spirit wear orders are **due Monday** also. I love the blue one.

The Christmas parade this weekend sounds fun.

We have had a case of strep throat in our room. Look for a fever, very sore throat, and white dots on the back of the throat. I believe an antibiotic works really well on it. It can lead to scarlet fever if untreated.

We will be having a science test next Friday morning. I will send home the study guide Monday.
