

6th Grade News Letter

March 15, 2019

Dear Parents,

Next week we will be finishing our Science Fair projects in class- please have your project completed and ready to finish typing and printing. If you have supplies at home that you would like to use on your board, please bring them in.

Science Fair is on Thursday, we will need all projects here in the morning on Thursday. Parents and community are welcome to the Science Fair between 12:30 and 2:00 PM on Thursday, March 21st.

End of the 3rd marking period is on Friday, March 22nd!
