

6th Grade News Letter

March 22, 2019

Dear Parents,

Our 3rd Marking Period is now complete. Grades are up to date on PowerSchool online!

Candy Bars are sent home! If you live in town- please feel free to sell door to door! If you're in need of another box, please let me know. You can take a box and put it in break-rooms at offices and workplaces! We have a TON to sell and will make a 50% profit off of these candy bars!

Congratulations to our Science Fair Winners- Kaelyn, Eli, Aubrey, Tristin, and Michael. Our whole class amazed me, and did a wonderful job on their projects!

Have a wonderful and safe Spring Break. See you back on April 1st!

Mrs. Gagnon

Science

We going to be working on Animal and Species Adaptations

Math

We will be finishing up Functions and Inequalities. We will be having a test when we come back from break....after a few days of review of course!

Language Arts

We finished reading Number the Stars, it is a story about the Danish helping the Jews to flee out of Denmark. This has sparked a lot of questions, and we will be working on a research project and presentation when we return from break about WWII and the Jews and Nazis.

History

We are starting chapter 9 and will be learning about Muslim innovations and adaptations.
