

April 12, 2019

Dear Parents,

We will just have a bonus spelling test next week. All words will be bonus. Our words are Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, and Sunday. It is not a real spelling test, but will give you an extra point if you can spell the extra hard words on Thursday.

There is a half day on Thursday as the teachers have meetings all afternoon. Please send your child with a snack as they get hungry.

There is no school on Good Friday.

There is school on Easter Monday. It is a make-up day due to the snowstorms in January.

The children wanted to have another barter day. Earth day is coming up. Bartering will be this Thursday. Bring in your old, broken, or boring toys and exchange them for someone else's old, broken, or boring toys. We are inviting the second graders to join us, so we will have even more opportunities to help the earth and get new things to play with. We will do it at second grade social studies time in the morning.

I still have some leftover reading books from March is Reading Month. I am sending home a new reading log. Whenever a student brings in a reading log, they can receive a free book until the end of the year.
