The second graders read a story in their anthologies about George Washington Carver making over 300 things from peanuts and sweet potatoes (known as yams in America). Usually we have a day where we bring in something to share or to show that is made from either peanuts or sweet potatoes. We will be sharing and showing on Tuesday, February 4th at 1:25. We have 17 students. Some examples of something to bring: peanuts, peanut butter cookies, balls, ice cream, cupcakes, sweet potato fries, or peanut butter sandwiches. We can cut things into small pieces. Some examples of things to show: peanut butter candle or sweet potato scented air freshener.

Spelling words for the February 10th will be the words we had on January 27th as we had a lot of difficulty on the words and need to try them again. I will take the higher of the two test scores. If you were one of the two students with a 100, you do not have to retake it.
